CLIENT REFERRAL PROGRAM

EARN **\$550** FOR EVERY SUCCESSFUL REFERRAL!

HOW IT WORKS

Simply introduce us to a decision-maker or hiring manager at a company. We'll have a conversation with them about how we can assist with their hiring needs.

If we fill a role with the referred company and the client pays, you will receive **\$550** as a thank-you for your referral... Easy!

WHAT QUALIFIES AS A REFERRAL?

A referral is defined as a **formal introduction** to a decision-maker or hiring manager that leads to a **successful candidate placement** and **payment from the client**.

Referrals will not qualify if the company has already been contacted by Dash9 or if there is an existing staffing agreement in place at the time of the referral.

WHY REFER US?

Backed by numerous testimonials, we bring a nuanced understanding of the entire placement process and pride ourselves on engaging talent who simply are not actively applying to job postings. Service excellence is a cornerstone to our approach, so we will be sure not to let you down when connecting us with your professional network!
